

VAGHELA KINJAL

SOFTWARE ENGINEER

Phone: +91 7016783350 **Email:** kinjalvaghela1226@gmail.com

Location: Ahmedabad, Gujarat, India **GitHub:** github.com/kinjal1233

PROFESSIONAL SUMMARY

Computer Engineering student with a diploma and ongoing B.Tech studies, passionate about front-end web development and software engineering. Proficient in HTML, CSS, JavaScript, Bootstrap, and modern development practices with hands-on experience building interactive multi-page websites, RESTful web tools, and data management applications. Proven background in discipline, team collaboration, and leadership through active NSS contributions.

SKILLS & TECHNICAL COMPETENCIES

Languages:	JavaScript (ES6+), HTML5, CSS3, Python, Java, C++
Web & Frameworks:	Bootstrap, Responsive Web Design, Front-End Development, DOM Manipulation, REST APIs
Tools & Version Control:	Git, GitHub, VS Code, Netlify Web Hosting
Soft Skills:	Effective Communication, Public Speaking, Leadership & Teamwork, Adaptability, Time Management
Languages Known:	English (Native/Professional), Gujarati, Hindi

WORK EXPERIENCE

Solarium Green Energy Ltd.

May 2025 – Mar 2026

Intern - Sales Executive

- Worked in a client-facing role, assisting with sales operations, customer engagement, and business development activities.
- Supported organizational growth by streamlining client communication and coordinating cross-functional team workflows.

Arizona Automation and Technology

Jan 2025 – Apr 2025

Intern - Web Development

- Gained practical exposure to web technologies, focusing on responsive design and modern UI frameworks.
- Contributed directly to front-end development tasks, optimizing client UI layouts for cross-device compatibility.

PROJECTS

• Doctor Appointment System

[GitHub](#) | [Live Deployment](#)

- Designed and built a multi-page web application for scheduling appointments online with dynamic form handling and UI routing.

• Fashion Store Project

[GitHub](#) | [Live Deployment](#)

- Developed a responsive e-commerce web platform showcasing structured product catalogs and interactive product browsing.

• CRUD Operations Project

[GitHub](#) | [Live Deployment](#)

- Built a full user management interface demonstrating core data-handling concepts through real-time record creation, editing, and deletion.

• Weather App

[GitHub](#) | [Live Deployment](#)

- Engineered a real-time weather tracking application fetching location-based data dynamically using JavaScript.

• Tech Gun Bootstrap Website

[GitHub](#) | [Live Deployment](#)

- Built a business landing page incorporating Bootstrap carousels, progress indicators, interactive forms, and Google Maps API integration.

- **Veterinary Pet Care Website** [GitHub](#) | [Live Deployment](#)
 - Created a responsive service portal with structured service listings, statistical highlight counters, and clean navigation.
- **Google Sites Landing Page** [GitHub](#) | [Live Deployment](#)
 - Replicated a modern corporate landing page complete with hero sections, grid layouts, FAQ accordions, and testimonials.
- **Additional Utility Apps**
 - **BMI Calculator:** [GitHub](#) | [Live Deployment](#) — Health metrics application with real-time range evaluation.
 - **To-Do List:** [GitHub](#) | [Live Deployment](#) — DOM manipulation task management application.
 - **JS Calculator:** [GitHub](#) | [Live Deployment](#) — Functional web calculator executing standard arithmetic logic.
 - **Number Guessing Game:** [GitHub](#) | [Live Deployment](#) — Interactive browser game featuring dynamic feedback.
 - **Bootstrap Landing Page:** [GitHub](#) | [Live Deployment](#) — Mobile-optimized modern promotional landing page.

EDUCATION & TRAINING

Bachelor of Technology in Computer Engineering Ongoing
Silver Oak University, Ahmedabad

Diploma in Computer Engineering 2022 – 2025
Silver Oak University, Ahmedabad | CGPA: 8.38

- Built technical foundation in core computer science, software architecture, data structures, and object-oriented programming.

ACTIVITIES & LEADERSHIP

- **National Service Scheme (NSS):** Active participant in state and national camps with focus on community teamwork, leadership, and social development.
- **NSS Parade & Drill Activities:** Developed strong personal discipline, work ethic, and time management through structured parade drills.
- **Cultural Events:** Engaged in university cultural organizing committees to foster student collaboration and event management.
